Riding with Roy & Kathy

By Roy & Kathy Richard

Summer arrives June 21st and the Riding Season will be in full swing. The month of May for Chapter L members has been a busy month and the next several months are packed with activities. Sign up to participate in a chapter activity.

Fred & Lori Manning planned the first of the month dinner at Acapulco Mexican Restaurant in Lebanon. The food was great. Thank you Fred & Lori. While Kathy was out of town visiting our daughter Karin's family in Seattle, I did the Dessert Ride to Graeter's on Colerain Avenue. There were yummy treats, but the rain made it a 4 wheel ride. There were several Skills and Safety Saturday/Sunday days scheduled around the state during the month. An ERC for Chapter L members was presented in May. Chapter L participated in the annual Chapter T2 Dayton Children's Hospital Toy Run. Jim & Brenda Pennington, Butch & Judy Royse and Kathy & I delivered the many toys and games that were donated by Chapter L members. Thank you all for your generosity. After delivering the toys, a picnic, Chapter X2 gathering, afternoon

ride, and Chapter G3's Bean Soup and Cornbread fundraiser dinner were scheduled for anyone to attend. It was a busy day!

Chapter L members Bill & Carol Pott helped to arrange a Blessing of the Bikes on Sunday, May 18th at the Hope Lutheran Church on Blue Rock and Livingston Roads. The pastor "Ken" and membership at Hope Lutheran welcomed all bikes and trikes. They were delighted with the 22 riders and co-riders and their 14 bikes. They are already talking about having a 2nd annual Blessing of the Bikes next year. After the service, Bill & Carol gave everyone a lunch ride to the Cabana restaurant on the River. Thank you, Bill & Carol! After lunch, Kathy & I and Butch & Judy Royse attended the Clermont County Destination CycleSafe.

The month of May has been designated as Motorcycle Awareness Month by many national, state and local government agencies and organizations. Jim Beeber from Chapter L along with several members from Chapter E2 attended the Clermont County Destination CycleSafe planning meetings. Jim helped support the Bike Show and GWRRA booth at this first ever area event. Jim also attended the 1st Annual Southwest Ohio Motorcycle Safety Summit held at the Colerain Senior and Community Center. Thank you Jim, for representing Chapter L and GWRRA at these motorcycle awareness activities.

Jim & Brenda Pennington organized the Memorial Weekend Shamrock Ride, a 3 day ride through Kentucky (Saturday), Ohio (Sunday) and Indiana (Monday). Kathy & I rode on Saturday and there were 22 bikes and 33 people. The weather made for a very enjoyable weekend of riding. I rode again on Monday and 15 bikes took the trip to Indiana. Jim's knowledge of the motorcycle highways and byways in and around the tri-state area provides great narrations and interesting facts. Thank you Jim & Brenda.

Next up is the chapter campout at Little Farm on the River June 6th, 7th, and 8th; the campout will have taken place by the time the newsletter is published. Thank you Gail & Randy for organizing the weekend campout and including the 1st of month Dinner Ride at Applewood in Aurora.

Buckeye Rally is in Marietta, Ohio, June 12 thru June 15. There are many fun activities planned at Buckeye Rally (see the District website for a schedule of events). Our District Directors, Roger & Penny Hurley, will officially announce their retirement and announce and introduce the new District

Directors that will take over November 1st. Whether, you attend or not, be sure to take time to thank Roger & Penny by mail, email, or personally.

Looking ahead on the calendar, Chapter L's gathering is on Wednesday June 18. Remember to signup for a chapter ride/activity to be eligible for a special prize drawing. Wing Ding will be in Greenville, South Carolina (Wednesday, July 2 – Sunday, July 6). Carl & Cris Hauser are planning a ride to Wing Ding. The ride will be leaving on Saturday, June 28 and arriving on Wednesday, July 2. Randy & Gail Hiser are planning a NASCAR tour ride on Monday, June 30 through Wednesday, July 2. The following weekend is the MS Bike Tour (Saturday, July 12 and Sunday, July 13) from the Lebanon YMCA. Please contact Carl Hauser. Check the Chapter Ride Schedule, Newsletter and Weekly Updates for dates and times for the many area chapter and GWRRA activities and rides.

Remember your Dad on Father's Day, Sunday June 15. See you at the next Chapter L or GWRRA activity.

Camping

Well summer is here with the hot weather and we just spent the weekend at the Little Farm on the River with the "Roy & Kathy's Bunch from L" and our semi-annual camping weekend. We were on the Ohio River side of the campsite and the water was high due to the recent rains. Everything went very well with the organizational skills of Gail Hiser and the director of Camping Mobility, Randy Hiser. Everyone had job/work assignments that Gail had prepared. Assuming that Gail will report on the rest of the camping attendees, I will let it go at that. I will say that Randy worked with Gail frying the corn fritters, the omelets were made in the usual ziplock way, Tom & Barb Burns worked on the donuts and then the donuts were fried by Randy. Later on Phil Hollingsworth worked onion rings and other things. All in all it was one "L" of a great time on the river and this will happen again in September - stand by for that news later in the year.

Buckeye Rally

The Buckeye Rally is happening about the time you receive this newsletter and several of us are going again this year. Chapter L has gate security on

Friday of the rally and I suspect Cris & Carl will be patting down everyone trying to get through the gate, including the Police, Fire Department and FedEx drivers. Lots of fun and activities at the Buckeye Rally as always. There are vendors galore selling everything and anything your hearts may desire for the Wing and for things to wear anywhere. The Grand Parade, one of the highlights of the rally, and basically the entire rally event has been set up by the Ohio District Staff for Gold Wings like us. If you go to the rally, thank every staff member for their hard work putting the rally together. If you want to visit a prison in nearby West Virginia, Carl & Cris are working up a ride to go there. That is all I am going to say on that subject. The new Ohio District Directors will be announced at opening ceremonies. We hope you are able to attend the Buckeye Rally this year. It will be the most fun you can have with your boots on!

See you down the road.

Riding In Hot Weather

By Carolyn Boyce (aka Bluepoo) www.bluepoo.com

Don't forget that once the temperature gets above your body temperature (~99F); you don't want to be wearing a mesh jacket. You want to zip up all of your vents and keep as much of your skin covered as possible.

Hot air hitting your skin at a temperature higher than your body temperature will heat up your skin and dehydrate you faster than you'll know its happening.

Cover your neck with a soaking wet bandana, wet down your T-shirt, and stop often to re-soak both. Drink way more water than you think you'll need. Heatstroke is a very real possibility on a motorcycle, and at high temperatures, mesh clothing will not help with this. If you do wear a mesh jacket in these temps, make sure you have a Camelback or some sort of hydration system, and drink water constantly.

There are two big things at work here. 1) Evaporation and 2) Insulation. Both deal with sweating. Let's look at each one separately. But first, a quick primer on sweat. Yum! Sweat happens when your body transfers heat from itself into the air. When sweat evaporates, it cools down the surface of your skin.

OK, on to evaporation. Evaporation can only happen when there's less moisture in the air than on your skin. So if you are in a big hot stinky swamp pit, evaporation isn't going to do much for you. If there is no evaporation happening, your body will stop sweating. This is very bad, and you will soon be very unhappy as your body overheats.

"But Poof!" you are now saying, "won't closing your vents ensure that your suit becomes a big hot stinky swamp pit? Aren't you ensuring that you'll raise your core temperature too much because your sweat can't evaporate?" If you are hard-core enough to ride in bad weather like Mr. Ed did there in Arkansas, when the humidity is that high, let's face it: nothing is going to help you. At that point, you get yourself shade and water, and often. Also, assuming you're touring, try riding at night or at higher elevations. However, in most of our daily lives, this isn't going to be an issue. No one's jacket is windproof (I wish mine was, in the wintertime!), so unless your idea of gear is Saran Wrap, your skin is going to be able to breathe and your sweat is not going to stop evaporating 100%. So, on to our second idea: insulation. Earlier, we established that sweat is the body's way of transferring heat from itself to the air. This can only happen if the air is cooler than the body. Otherwise, the skin will draw heat from the air. Why is this a problem? It's called vasodilatation. The idea here is that as the body heats up, blood vessels enlarge to circulate more blood to the skin. Normally, this is good because the evaporative cooling process cools down the skin, and therefore, the blood. However, if your sweat evaporates too quickly and dries out, the skin absorbs heat from the air, which then actually heats up your blood. Mmm, nice hot blood circulating all over your body—especially up into your brain.

By zipping up your vents, you provide a layer of insulation between your skin and that hot air. By keeping your clothing wet, you augment your sweat and keep your skin (and therefore blood) cool. One thing I mentioned in particular is a bandana. I actually use a Cool Tie, which is a bandana-like tube filled with paraffin crystals that hold water much longer than cotton. In desert conditions, I soak this Cool Tie and wrap it around my neck while riding. It keeps the blood flowing to my brain cool, and helps me keep my head on straight. It's very easy to become confused when in the early stages of heatstroke, and keeping your blood cool is one big way to combat this.

I'd like to reiterate that this is only really applicable when the ambient temperature is above your body temperature. Also, I have nothing at all against mesh

jackets. I own one myself and am not trying to discourage anyone from purchasing one. I'm just saying that in extreme, 99F+, conditions, you have to be prepared to go into desert survival mode, which, for me, includes zipping up my vents and keeping the hot air and sun off of my skin. No matter what your opinion on the vents, it should also include frequent stops, lots of water (and/or Gatorade, like Mr. Ed mentioned), and lots of shade. If you're not willing or able to make those sorts of preparations when riding in 99F+ weather, take the car or stay home. That isn't being a big pansy; it's being smart and safe.

Pins & Patches

By Tom & Barb Burns

Hi Everyone! Ladies, we are now able to order the blue Chapter L sleeveless shirt for summer. It is cotton pique with a button placket and comes in most sizes. These shirts are great to wear under the poplar mesh riding jackets. Also, could Dad use a new Chapter L flag for his bike for Father's Day? We can order him a one with his name on it. Just stop by our table and check out all our items at the next Chapter meeting.

Once again thanks to Gail's Olympic creativity and Randy the grill master for a fantastic Chapter L Campout. We enjoyed celebrating our 40th Wedding Anniversary with everyone. Thanks Rich for the special miniature hot air balloon. We will always have fond memories of this campout.

Hope to see everyone at June's Chapter L meeting.

NEWS FROM THE FUN RAISERS

By Judy & Mike O'Rourke

"Memories are made of this....." Remember the song made famous at the April meeting by the Chapter L Singing Sisters? Unfortunately they won't

be making an appearance at the June meeting since they are presently in secret negotiations for a guest appearance on a prime time TV show. The Singing Sisters are in great demand in the music world. We will keep you posted.

However, we are reminiscing memories by celebrating couples this month. SO, bring in your wedding picture or picture of an occasion with your significant other and we will post them for viewing. Remember the "good old days", the days when you couldn't get enough of each other? Give your pictures to Bear when you get to the meeting. Also, we have a puzzle for you to complete for an extra door prize ticket. See Judy O, the Judy with seniority for that. I just love, love and romance; one out of two with that belief in our marriage is half way there! Let's celebrate relationships with your pictures this month!

Congratulations to Denise French, she is a HAM operator! Hope you will all volunteer for the MS in July, it is always good to give some of our time, and we are all truly blessed. Are we having FUN yet?

Love,

Bear & Judy

Chapter "L" Ride & Event Calendar

By Judy & Butch Royse

WOW! What a great Memorial Day Weekend! Many thanks go out to Jim & Brenda for their awesome Shamrock Rides. Great turnout, great rides, great friends and great weather. Who could ask for anything more? This might become an annual event????????? What do you think J & B? Gail & Randy Hiser, Ed Kahle (a friend of Randy's from E~2) and Butch and I, rode to Bristol, TN to ride the World's Fastest Half Mile this past weekend. We had a beautiful day and our group took pictures of bikes and cars in the winner's circle and on the track. I will make a CD of all of the photos and send them to all who ordered them (around 63 CDs). All proceeds will go to St. Jude's Research Hospital. This was a great event. Ed can't get the smile off of his face. Our photo project will make around \$400, depending how much I can get donated to cover the costs.

June and July are going to be busy months. It starts with, the always a great time, Buckeye Rally. See Denise French for details about the rally. Then don't forget our Chapter "L" Gathering on June 18th at the

Green Township Senior Center at 7:30 PM. T~2 will host their fundraiser meal on June 21st. The meal will be served at the United Christian Church, Clayton, OH from 11:30 to 1:00. The cost will be \$6.00 per person, after which they will lead a ride to scenic Germantown & Huston Woods. Sounds like lots of fun.

Next up on the calendar is the trip to Wing Ding that will be led by Carl & Cris Hauser. Wing Ding is always a good time and you might want to pick up a few more "safety items" that you have been **needing**. Also included is a trip to the Biltmore Estate in Ashville, NC. The First of the Month dinner ride for July will be July 13th due to Wing Ding. The Hausers will be leading the ride to Los Panchos located at 8598 Colerain Ave. Meet there at 5:30. There will be a sign-up sheet at our June meeting. Then comes an event we have all come to look forward to..... The MS Bike tour. See Carl Hauser for those details.

Upcoming Events

June:

18th **Chapter L** Green Twp Senior Center 7:30 PM
21st **X~2** Otterbein Kings Activity Center at 9:30AM

Hi Everyone Thanks to all who donated door prizes: Judy O'Rourke, Bud Hensler, Roy & Kathy Richard, Karen Tomlin, Judy Royse, Randy & Gail Hiser, Lois Hollingsworth, Jim & Brenda and Elmer & Debbie. Without your donations, our gathering would not be as fun as it is now. Also, thanks for all the donations

for the "One Way Farm". Last month we collected breakfast items.

Congratulations to our winners: Gail, Barb, Judy O., Brenda, Steve, Ken Burton, Karen T., Kathy R., Ron C., Elmer, Ruth, Lori, Dave and Tony. We had 54 friends at our last meeting. Welcome back: Ken Burton, Dan & Karen Childs.

Membership draw was won by Lois Hollingsworth. Lois. Ken and Dan were bidding on Plexus cleaner. Lois guessed \$4.99 and the actual price was \$5.95. Next was Ken at \$4.95 and Dan, who guessed \$9.00. We really appreciate Tony's ability in keeping us "guessing". Thanks, Tony.

Karen is getting a ride together for Lady Riders (including co-riders); however, all men are welcome. Her goal is to help the Ladies to be more active in their riding. If interested, please contact Karen at: 336-8993 or Debbie at: 661-0290. Let's Ride!

Bear gave all the Ladies a carnation for Mother's Day ...can't wait to see what Judy is planning on giving all the men!

Effective immediately, the Traveling Door Prize has been discontinued. Instead, there will be a special giveaway. Last month, Tim walked away with all the fixins for S'Mores.

Hugs and Kisses to all. Don't forget to tell that special someone, you love them.

Debbie & Mr. "B"

Thank You From The Kuchera's

We would like to thank our friends for all the cards, E-mails, thoughts and prayers that were sent to us for the loss of Gary's dad.

Memorial Day Weekend Shamrock Rides Report By Jim & Brenda Pennington

WOW!! Thank you to everyone who responded to and participated in these three day weekend day rides—and back home each evening. Saturday for the first leaf of the ride we went to Kentucky and 22 motorcycles and 33 people went along; Sunday for the second leaf of the ride we stayed in Ohio and 16 motorcycles and 28 people went along; and Monday for the third leaf of the ride (in spite of threatening

weather) we went to Indiana and 15 motorcycles and 24 people went along.

If you're counting you can see we had a total of 53 motorcycles and 85 people who went along with us during the three great rides in the tri-state area. We had participation from L, A-2 and E-2 and some new prospective members.

It's always an honor and privilege to lead rides when the members respond with this kind of participation. We had a great time and hopefully everyone else did too – L yes! We had fun, always do.

BLESSING OF THE BIKES

By Carol & Bill Pott

The first annual Bike Blessing for Chapter "L" was held on Sunday, May 18th. Brenda & Jim Pennington, George & Roberta Vandal, Barb & Tom Burns, Roy & Kathy Richard, Randy, Gail & Haley Hiser, Butch & Judy Royse, Phil & Lois Hollingsworth, Dave Heim, Dan Daulton, Debbie Winkler & Elmer Jauch, Denise French and Bill met at Bob Evans at 8:00 and rode to Hope Lutheran Church. Hope had coffee and doughnuts ready for our arrival. We were joined by Larry Murray (from First Lutheran Church), Chuck Stansell (friend of Gail & Randy), and Andy Albright and Lori (from Hope) A total of fourteen bikes attended.

Pastor Ken welcomed everyone to our contemporary service. The music was up beat and the service was inspiring. At the end of the service Pastor Ken donned his do-rag and escorted everyone into the meditation Garden where our bikes were parked. Pastor Ken prayed a special blessing for the riders and our bikes, after which he anointed each bike and crosses were handed to the riders.

After the Blessing, Bill led a ride to the Cabana on River Road for lunch. Jim & Brenda, Judy & Butch, George & Roberta, Gail & Haley, Tom & Barb, Kathy & Roy, and Bill & Carol all enjoyed HUGE hamburgers and fish sandwiches all the while watching the barges on the river. It was a beautiful sunny afternoon on the deck at the Cabana. George Albright from Hope joined us, just as our group was departing, to ride to Amelia for the Safety Seminar; we were joined by Lana Albright who brought Pastor Ken and his wife for lunch. They were looking forward to being with us, but had to wait until after the late service to join us.

A great article on chapter "L", GWRRA and Hope was published in the Western Hills and Northwest press on May 14th along with a picture of chapter "L".

I apologize if I have forgotten anyone or anything. All in all I think that our First Blessing was a huge success.

June campout recap

By Gail & Randy Hiser

Summer has finally arrived and so did the Special Campout Senior Olympics. 33 Chapter 'L' members and family were divided into three teams: Team Red, Team White and Team Blue. Events included our version of the Discus Throw, High Jump, Baton Relay Race and Shot Put. Team members not only competed for individual scores but also for their team total score.

Discus Throw was won by Tim Burns (625), High Jump winner was Bill Pott (50) and Zackery Burns (180) won the Shot Put. In the Baton Relay Race 1st place was Team Red, 2nd place was Team Blue and 3rd place was Team White.

As with any good GWRRA gathering there had to be just a LITTLE food involved. Back by popular demand were the baggie omelets and donuts. Tom Burns again was our "hole man". Fred Meyers was crowned the "choppy, sauté King and Marguerite Meyers was crowned "Cinderella – Fire Starter Queen".

What do can biscuits, pancake mix, Twinkies, Oreos, snack sized candy bars have in common? Ask any of the campers for the answer. Here is a hint – Lunch! We also celebrated two very important mile stones. Tom & Barb Burns celebrated their 40th wedding anniversary. We had a surprise party for Peggy

Muchmore-Smith for her 50th Birthday. Some of Peggy's family came for supper to surprise her. In conclusion of our campout, some of us went to Applewood restaurant in Aurora. We were met there by 32 others.

That's all folks. See you at the meeting.
