From your Recycled Chapter Directors

Hello Chapter "L"!!

Happy 24th Birthday Chapter L – was a great night reflecting the crowds at "L" from years past. We hope each of you had a fun time at "L" – we had fun, always do.

- A big THANK YOU to Tim Kendrick who put the Tail Gate party together and Phil and all who helped as Anita (Tim's always faithful co-worker) was out of town on business. It is a satisfying feeling when an idea becomes a success.
- It was wonderful to see former Chapter L leaders come and enjoy old friends and new friends as well: 1987, 88,89 & 90 Jim & Brenda Pennington, 1991 & 92 Jim & Pauline Petroviak, 1993 Bill & Yvonne Tieke, 1996 & 97 Mike & Judy O'Rourke, 1998 & 99 Rich & Nancy Hesse, 2000 & 01&02 Tom & Pat Runck, 2003 & 04 Carl & Cris Hauser, 2005 & 06 Tim (and Anita) Kendrick, 2007 & 08 Roy & Kathy Richard, and again 2009 Jim & Brenda Pennington. The only formers missing were the original Area Rep 1985-87 Bill Wergowske and 1994 & 95 Lois (Dick deceased) Pettit. The members of Chapter L appreciate very much your previous leadership of this great GWRRRA chapter in Cincinnati – L yes! - and, your continued friendship! YOU are important to this Chapter "L" family.
- Visitors from other local chapters – THANK YOU for your support – we probably saw more orange and red than we did blue, well almost!
- To Tim & Linda Fleming – THANK YOU for your long ride down to be with us at "L" once again. Your kindness and friendship means a lot to the members of Chapter L. You're always a welcome guest!
- To our several "First Timers" - thanks for coming out for our birthday!

Another big THANK YOU goes out to Bill & Carol Pott who donated the birthday cake (cup cakes) all decorated special for "L".

WELCOME to the "first timers" at "L" that evening and we do want you to come back and be a part of our fun.

EVERYONE – thanks for your generosity that evening as 114 donated \$140.00 in the pass-the-hat. Sure wish we could do 50/50, but you know that story!!

Chapter "L" Ride and Event Calendar By Judy & Butch Royle

WOW! What a great turnout we had at our birthday gathering! Thanks to all who attended and took advantage of our 24¢ meal deal.

The MS Bike Tour was a great time for the Chapter L members that worked the intersections, as well as for our very own Dave Heim. Dave rode his bicycle and had a ball in the event. And, according to his speedometer, he logged 177 miles!!! Thanks to you VOLUNTEERS and congratulations—*Way to go Dave!*

We sure hope to see many of you at these events that are just around the corner.

September 5, 6, and 7th (updated) Another Shamrock Ride sequence! Butch and I lead the ride on Saturday, we left from Wendy's in Miamitown at 9:30 AM, headed for the Kopper Kettle in Morristown, IN. Sunday's ride was lead by Carl and Cris, leaving from Wendy's at 12:30. This ride took us to the Murals in Maysville, KY bypassing Augusta Heritage Days due to rain and then to Barley-corn's. Jim and Brenda's Mystery Ride on Labor Day was a real mystery—it was cancelled due to rain. Dinner location was to be a mystery but since it was cancelled—you know where you ate. Thanks to all GWRRA members who love to ride and rode with us over the two days we were able to ride.

September 12 Fishing Derby at the Windy Ridge Farm (Denise French's). Fishing will begin at noon. Dinner will be at 4:00 PM, and the fun will continue until???????? See article for more details.

September 16th Chapter L Gathering at Green Township Senior Center, 7:30 P.M.

September 17th, 18th & 19th—Region D Rally—Celina, OH.

September 19th Mount Healthy Christian Home Fall Festival, Classic Car & Bike Show & Crafts. If you can find the time to stop by, they would appreciate the support.

September 26th Chili Dump! Eat at 5:00 PM Fireworks at dark. See article.

October 9, 10, & 11th is our next Chapter Campout – always a great time! See Gail for details.

BTW - Butch and I will be leaving for our Wild, Wild West Tour on September 19th. We will be gone 40 days, and plan to log some 9,200 miles through 17 states. I plan to update folks on my Facebook page as often as possible, including photos of our trip. While we are gone we would appreciate prayers for our safety during our adventure. We will miss you all and the Chapter L's fun events that will take place while we are gone.

Be sure to check the **Chapter "L"** website <http://www.qcwr.org/> for the full 2009 Calendar and other items of interest.

*With the sun on your back And wind in your face, May you
always be blessed, To ride often and safe!*

Membership Enhancement

CHAPTER "L" 24th Birthday

We really do appreciate the support of the 114 visitors and friends that celebrated the Chapter's 24th birthday. Hot dogs, chips, drinks, cake and ice cream sure bring out a crowd! Kaye Pogue from Chapter X-2 was the winner of the membership drawing for a \$10 gas card last month. Be sure to drop your membership card in the container at the membership table on meeting night for a chance to win this month.

GWRRA Membership Card – have you been dropping your card in the jar when you sign in at the meeting for an opportunity to get a \$10 gas cardFREE from Chapter L. "L" yes! it pays to come to "L".

At the August meeting there were two members with really low membership numbers. One was 15129 which belongs to Terry Dare from Liberty IN and the other 16052 belongs to Jim Brown from College Corner OH. They have been members of GWRRA for a very l-o-n-g time and we're really proud they continue to attend GWRRA Chapter L meetings. The next lowest probably belongs to Kenny or Elmer Jauch and then Pennington's who joined in January 1985 and are 28867.

The annual Chapter L picnic was held on Saturday August 12th at the Elsen farm. There was plenty of great food and games for everyone. Randy Hiser won the cornhole contest, Phil Hollingsworth placed second and Jay Silver came in third place. Thanks again for participating in the cornhole.

If you need membership information, give us a call. We'll be glad to give you applications or help with any renewal questions.

Treasurer Report By Debbie Winkler

Hi Everyone,

We had 114 family and friends at our 24th Chapter Birthday. Thanks everyone who came out and enjoyed the Tailgate Party with the 24 cent hot dogs and the Birthday meeting. We thank everyone that donated to the pass the hat and door prizes.

Chapter Finances—I have spent 5 hours working on the Chapter Financial Report and my sister spent 5 hours of her time too. Some columns on the revised GWRRA Excel spreadsheet were locked and in order to have the proper reports for the District coming up in November—this has caused me to spend a lot of time changing things around. @#&*%

Anyway—Elmer and I are still trying to get back on track with feeling better ... both of us have been under the weather for awhile all while trying to help my daughter with her wedding plans.

Please keep all the sick in your prayers.

Hugs & Kisses to all. ♥ Debbie & Mr. B

Ride Educator

By Carl Hauser

Not only do we need to ride safely we also need to stay healthy. This article was found in Superior Glove Works e.Newsletter. **Swine Flu - The Facts**

Everything you need to know about H1N1—Swine Flu...

Well, just about everything. After all, without the proverbial crystal ball, it is far from clear just what might happen in the fall, when it is feared that the flu will return with a vengeance, leaving much devastation in its wake. Or *not*.

The tendency to forecast what is going to happen is based on the progression of the mother of all flu's, the Spanish Flu of 1918. That pandemic, which killed approximately 50 million people around the globe, began in much the same way, mild in the spring, but picked up speed upon its return that fall. But like SARS, avian flu and other diseases that public health officials have tried to prepare for, H1N1 may never reach such heights.

So, what to do? First and foremost, any reputable source will emphasize staying calm, followed by these basic steps:

Stay home if you're sick. If you do have swine flu, you can give it to others starting about 24 hours before you develop symptoms and ending about seven days later.

Wash your hands thoroughly and frequently. Use soap and water, or if they're unavailable, use an alcohol-based hand sanitizer. Flu viruses can survive for two hours or longer on surfaces, such as doorknobs and countertops.

** The length of time that cold or flu germs can survive outside the body on an environmental surface, such as a doorknob, varies greatly. But the suspected range is from a few seconds to 48 hours — depending on the specific virus and the type of surface. Flu viruses tend to live longer on surfaces than cold viruses do. Also, it's generally believed that cold and flu viruses live longer on nonporous surfaces — such as plastic, metal or wood — than they do on porous surfaces — such as fabrics, skin or paper.*

Avoid contact. Stay away from crowds if possible.

** Although cold and flu viruses primarily spread from person-to-person contact, you can also become infected from contact with contaminated surfaces. The best way to avoid becoming infected with a cold or flu is to wash your hands frequently with soap and water or with an alcohol-based sanitizer.*

Reduce exposure within your household. If a member of your household has swine flu, designate one other household member to be responsible for the ill person's close personal care.

** Disposable gloves work both ways: to protect those working around infected people, and when worn by those infected who must go out in public. Along with masks, these two items reduce two-way transmission, and are a critical component of any preparedness plan.*

Read and heed! Stay Healthy and be around to ride safely with Chapter “L”!

FUN COORDINATORS— Phil & Lois

Wow September already. I love some things about the fall but I hate it that it will soon be winter. This summer has gone by so fast. They all seem to go by fast but this one flew. There was so much going on, we moved over the summer and we are still moving. You never realize how much stuff you accumulate until you move. The weather lately has been great for riding, hope you have been doing some. Tuesday's R&R ride was fantastic, the skies were blue and not too hot. You just might say it was a perfect day to ride. If you have a chance to join the Tuesday group you should surely do so.

It was great to see so many faces at the Birthday party meeting last month. Love those cheap hot dogs! I would like to thank everyone for making it a success.

Up coming is the fishing derby at Denise's. That should be fun. By the way, did you hear about the one armed fisherman? He caught a fish this big (hold out one hand).

I helped with the MS Bike-a-Thon for the first time, last week. Those people are amazing. I feel like I am doing something riding around the track at White Water 2 or 3 times. It's 8 miles around. 150 miles in 2 days! My hat is off to them! A lady, who was every bit my age stopped at my station. She wanted to know if I thought anyone would mind if she went off course and rode around Stone Lick Lake? We decided the road I was posted at no longer yielded access to the lake. I was impressed that she was willing to do extra. Maybe she was just showing off. They couldn't have ordered better weather. On behalf of everyone who has this affliction, I offer a huge thank you to the riders for this big time fund raiser. I think everyone knows someone with MS.

NOTE: For fun this month, write down as many Cincinnati Chili Parlors you can think of and we'll have a drawing from those slips for a prize. See you at the next meeting on the 16th. Be there! Oh, by the way—our Chili dump is coming up. Don't miss that. The chili is always great. See info on Page 10.

CHAPTER SUPPLY

By Bill & Carol Pott

What beautiful riding weather!!! Bill and I are looking forward to the Shamrock rides this weekend. Although we need the rain we have truly been blessed with great weather for our favorite sport. A lot of fun is being planned i.e., the Fishing Derby at Denise's, Chili Dump, Sunday dinner rides, and Wednesday get together over a meal. When "L" gets together there is always laughter, fun, and good eating with great friends.

We still have some shirts left (both short and long sleeve) but not all sizes. We will have them plus the patches, etc. at the meeting on September 16th. Come and look over what we have and perhaps find something you need.

Give some thought as to what type of new shirt, jacket, etc. that you would be interested in. We have the 2009 catalogs with us and we will be glad to look it over with you then we can meet with Ron Walters to find sizes and cost. We are always looking for new ideas and designs. Let's get our heads together and come up with an outstanding new shirt to wear to our functions. Come to our meeting—we do this for YOU!

Camping

by Gail & Randy Hiser

Our camping season will end with a bang. Not one but with two campouts.

First there is the Ohio GWRRA District “Buckeye Time Out” in Plain City, OH at the Past Time Park, on October 2-4. Make sure you register before September 25. It is only \$20 per night. You can get your registration forms from the OH District web site, or see Gail at our next meeting.

Second is our last Chapter ‘L’ campout for the year on October 9-11. It will be at the ‘Little Farm on the River Resort’ which is owned and operated by Rich & Linda Elsen. The theme for the weekend is Halloween. Bring candy for the kids as they will be trick-or-treating from camp site to camp site. There is a Navy Bean Festival in Rising Sun also. The Chapters themed food for dinner on Saturday night is German Feast. Phil Hollingsworth will be making Sauerbraten. Fred Meyers will be making Spaetzle (a German noodle dumpling). There will be brats, metts and hot dogs too! And you know we cannot have German food without German chocolate cake! Please join us, as all are welcomed for dinner around 4:00 PM. Just let Gail know you are planning on coming so we can have enough food for everyone.

NOTE!! - EVERYONE is invited to come down and visit with the campers – you’re not left out if you don’t camp. There’s plenty of fun for everyone or you can just sit and enjoy yourself. This weekend is the Navy Bean Festival in Rising Sun.

If you will be joining us for a meal time, Gail needs to know so you can share in the meal. There’s always plenty, but just let me know when you plan to eat with us. The schedule for the weekend meals is: Saturday 9 am gather to cook breakfast; lunch on your own; and 4:00 pm gather to cook supper. Sunday 9 am gather to cook breakfast.

There was this Indian that went to the Doctor and said he sometimes felt like a wigwam and other times felt like a tepee. The doctor told him to relax, he was two tents.

ALL CHAPTER MEMBERS ARE WELCOME – come to camp or come by and visit and join in the fun! Call Gail Hiser at cell: 513-910-5954 or home: 513-851-5721

Chapter L Chili Stuff

By Phil & Lois—ACD's

Where did the Summer go? It's hard to believe it's already September—which means it's time for our Chapter L's Chili Dump!

We look forward to seeing everyone there to share food, fun and fireworks with our Gold Wing friends. I have enclosed the history of Cincinnati Chili in case you didn't know.

History of Cincinnati Chili

Outside of the state of Texas, Cincinnati, Ohio, is the most chili-crazed city in the United States. Cincinnati prides itself on being a true chili capital, with more than 180 chili parlors. Cincinnati-style chili is quite different from its more familiar Texas cousin, and it has developed a cult-like popularity.

What makes it different is the way the meat is cooked. The chili has a thinner consistency and is prepared with an unusual blend of spices that includes cinnamon, chocolate or cocoa, allspice, and Worcestershire. This is truly the unofficial grub of Cincinnati.

The people of Cincinnati enjoy their chili spooned over freshly made pasta and topped with a combination of chopped onions, shredded Cheddar cheese, refried beans or kidney beans, and crushed oyster crackers. If you choose "the works," you are eating what they call Five-Way Chili. Make sure to pile on the toppings - that's what sets it apart from any other chili dish.

To test a restaurant for authenticity, ask for a Four-Way. If the server asks you whether you want beans or onions, you know this is fake Cincinnati chili, since Four-Way always comes with onions.

Macedonian immigrant Tom Kiradjieff created Cincinnati chili in 1922. With his brother, John, Kiradjieff opened a small Greek restaurant called the Empress. The restaurant did poorly however, until Kiradjieff started offering a chili made with Middle Eastern spices, which could be served in a variety of ways. He called it his "spaghetti chili." Kiradjieff "five way" was a concoction of a mound of spaghetti topped with chili, chopped onion, kidney beans, and shredded yellow cheese, served with oyster crackers and a side order of hot dogs topped with more shredded cheese.
