NEWS from the

Phil and Lois Hollingsworth, Pending CD's

Happy September! Summer as always goes so fast. I love summer, the hotter the better. It's not particularly good for riding, but floating in the lake gives me peace. We had a lot of peace this summer. The lake water temp reached 89 degrees. That's a little warm, but Lois loves it that way. If she loves it that way then so do I.

The hour of transition is upon us. It is hard to believe it has come so fast. I hope we can do the chapter well. I was trying to think of a word that would sum up our feelings and it would be - HELP!

Oh my, did we ever get help at last night's Staff meeting. A huge thank you to you all. I was just a buzz yesterday. It started early when Judy Royce agreed to do the news letter for October. I can't thank her enough, I know she will do a masterful job. I don't wish to make light of everyone else's commitments. I considered that the biggest hole in the staff. I knew, if I had to do it we would be in big trouble. I remember Brenda saying "don't let Phil do it". I know she was saying, don't force me to do it. But I was thinking, yeah, right, you don't want me to do it. Just not that computer savvy.

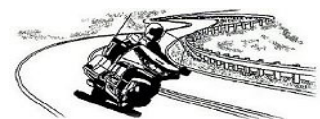

There are still a few holes, hopefully they will fill. I have sent my cattle prod out for repair. Funny how things break when you need them most.

The weather is starting to break some. Fun rides are on the schedule, check them out. If you have a hankerin' to take a ride and you want some company, call one of us. I think you might find someone to ride with. Let's make it happen! Love to you all!

See you at the gathering on the 15th, if not sooner.

Phil and Lois

Jim & Brenda say “THANKS!”

Our thanks go to our loyal staff during our time as Chapter Directors. It is with our sincere gratitude that all our staff cooperated as a team with the activities and events that the 25 year old chapter had on our agenda. Everyone on the staff had input as to the rides we had and in general what Ohio “L” did. That made our jobs easier. The cooperation and enthusiasm of Ohio “L” at Cabin Fever and the Ohio Rally were more than appreciated. The highlight of the past months as CD’s was at the August gathering when the staff presented us with a special quilt with printed photos inlaid and a pillow. The colors were in Chapter “L” blue. There is a couple of photos of the quilt elsewhere in this newsletter. There is no other way that we can say thanks. Thanks going out to not only our staff but to every member who came out to our Chapter “L” gatherings during our time as CD’s.

Chapter L Supply

By Bill & Carol Pott

I thought the month of July was hot - well August seems to outdone July by a long-shot. I am so-so ready for some good riding weather. We are looking forward to the Labor Day rides and cooler weather.

Since we missed the Birthday Party due to the fact that we were in Michigan I still have the following shirts: Women's "T" shirts - Large, X-Large, and 2 XL - Wicking - XL, and XXL—Men's "T" shirts - L and 2XL

The T-shirts are \$ 5.00 for sizes S-XL and the Wicking \$11.00 S-XL. There is a small additional charge for larger sizes ... ask for those prices! The name and logo adds \$11.00 (name is \$3.00 and logo \$8.00). I will be glad to order any shirts, but the chapter has paid for the above shirts so that correct sizes could be ordered so I would really like to have these shirts ordered so that the chapter can be reimbursed.

Look forward to seeing everyone at the Chili Dump. My daughter and grandchildren always look forward to the hayrides, kettle corn, and fireworks. Everyone from church who has attended the last two years starts asking early about the chili dump and look forward to it as much as the kids.

I want to thank Jim and Brenda for all they do and have done for the chapter and encourage everyone to support Phil and Lois as they take over the leadership of the chapter. The chapter does a lot of good projects for the communities around and we always have fun in the process. See you on the 15th and until then RIDE SAFE

Chapter Historians

By Jim & Brenda Pennington

WOW—what a history we have. Our Chapter is now over 25 years old. Some of the charter members are, yes, 25 year older than when this chapter was Chartered. Our Chapter “L” held it’s first meeting in April of 1985 yet we received our charter in August of 1985.

Charter Members—Jim Brown (member # 016052) held the oldest membership number attending our Anniversary Gathering in August. Other Charter Members attending our Anniversary Gathering were Ken Jauch, member # 020769 and Elmer Jauch, member # 022083 and then you have us—member number 028867—Jim & Brenda Pennington. We had 77 total attendance our Anniversary Gathering and many long time members showed up, yet many of our real oldies have passed away and changed paths of interest and no longer ride.

If I missed someone who was a Charter Member and attended our Anniversary Gathering in August, please do not get out of sorts about it. I apologize in advance. Remember, I too am 25 years older. I will soon have our Chapter History available for our Chapter web site soon. *Jim & Brenda*

Hello everyone! - I hope all of you that participated in the Labor Day Rides were cool, comfortable and careful! Our last big fling before the cool weather comes upon us.

We send sincere sympathy to Bob Childers on the recent passing of his father; Diane Daulton's mother is residing at a nursing home and not doing well, she will need surgery in the near future; Debbie Winkler is recovering from right shoulder surgery and is still sore ; Tom & Pat Runck are still in need of our prayers and encouragement; Marilyn Wellman is recovering from a sprained ankle Barb Alge(E-2) is recovering from a fractured femur (they inserted a rod & extensive PT); this is a small list of members and friends that would appreciate your prayers. They are important!

Welcome to our NEW CD, Phil Hollingsworth. Let us all support him and keep Chapter L alive, riding and active; PARTICIPATION is a big word, but very necessary.

Come join us and have an L of a good time!!!

Ride Educator *By Carl Hauser*

Here are some myths, urban legends and misconceptions about motorcycle safety.

MYTH # 1 – OTHER DRIVERS DON'T CARE ABOUT MOTORCYCLIST

Most drivers don't want to hit a biker. Most close calls as well as accidents happen

because they didn't see the bike or didn't know they were there, even though they were right in front of them. There are a lot of reasons for this. You could be in their blind spot, other vehicles blocking their view, distractions such as talking on the cell phone, reading the newspaper, putting on makeup and so on.

SCOTOMAS which is defined medically as a condition which the brain does not register what the eyes are seeing is another reason for drivers not seeing a bike. How many bikers involved in an accident have said they looked right at me but the driver says they never saw them? Yep that's why. Best defense? Ride to be seen. Bright colors, use high beams during daylight and above all always assume no one can see you.

MYTH # 2- LOUD PIPES SAVE LIVES

Maybe if you're beside a driver with his window down he will hear you before he changes lanes. Noise focused rearward won't do much good in the most common and dangerous situation where a car turns in front of you. Maybe it's fatigue from the noise or attitudes of bikers with loud pipes. Perhaps the loud noise annoys drivers making them aggressive. Whatever the reason, research shows bikes with modified exhaust systems are more frequently involved in crashes than bikes with stock pipes.

Carl

Special Thanks

Go to our Chapter Staff of 2009—2010. Especially to Judy Royse who headed up the Quilt /pillow project. Heather Sutter for the quilting portion, Ron Walters and Heather for their photography. We sincerely thank everyone who had a part in the quilt. Judy and Butch rode from Ohio to Florida in the winter to get a photo of us riding along the road with palm trees in the background. Thanks again!

Getting to know... *by Barb Burns*

The featured couple for this month is Linda and Richard Elsen. Linda and Rich have two homes/farms where they spend their time. The one affectionately know as the Elsen's Farm is located in Colerain Township. The other is Little Farm on the River and is located in Rising Sun Indiana. The Elsen's Farm has a very large shelter house on it which the Elsen's so graciously let Chapter L use for their events the picnic and chili dump. I remember the plans for the shelter starting out to be small. It was just suppose to house a lawn tractor and motorcycle but like the Elsen's generously it kept growing and growing. Their other Little Farm is no farm at all but an RV Park camping resort along the Ohio River. Chapter L holds two campouts there twice a year and everyone has a great time. Linda and Rich have been married 17 years. Linda has two daughters named Tammy and Joy who you will see helping out at the campgrounds. Also, Linda has a grandson named Blake. The Elsen's were introduced to Chapter L by Rich's brother Jack and have been members for 17 years. They have been Couple of the Year and Event Coordinators for many years. When they are not busy with the campground they enjoy riding on their 1996 Brown 1500 Gold Wing. You can also find them riding around their campground in a customized golf cart. Anyone who knows the Elsens also know all their pets. Their dogs are Mike, Judy, Midge and Charlie. Ms. Kitty is the cat and George, Miles and Grace are the parrots. You can also find Rich a busy owner of a trike shop and buying and selling fire works. Linda likes to spend her spare time collecting snow babies and decorating Little Farm for Halloween and Christmas. The next time you see Rich and Linda you can say I've gotten to know you better. *Barb*

77 GWRRA members and friends celebrated Chapter L's **25th birthday** at last month's gathering. Jim Pennington gave a brief history of Chapter L and Charter members attending the gathering were recognized.

Hot dogs grilled by Tim and Anita Kendrick were served with chips and a drink for 25 cents. All proceeds from the food sales and pass the hat went to the **Red Wolf Sanctuary** in Southeast Indiana.

Jim and Brenda Pennington recognized their current staff members with a gift of appreciation on behalf of the 2009-2010 staff. CD's Jim & Brenda also passed out a pink slip to terminate their positions for the term. Phil and Lois Hollingsworth presented to Jim and Brenda a beautiful quilt with embroidered names and pictures of Jim and Brenda with the staff as well as members of the Chapter. Thanks again, Jim and Brenda, for a job well done!

Pauline Boderone was the winner of the membership card drawing and received a \$10 gas card. You can also be a lucky winner. Just come to the gathering and put your GWRRA membership card in the jar at the sign in table for a chance to win.

You can join GWRRA, renew your membership or change your membership information either online (www.gwrra.org) or by phone (1-800-843-9460). If you have any questions about membership, give us a call.

Labor Day Double Loop Ride Reports

By Jim & Brenda, Former's and Phil & Lois, Pending CD's

SATURDAY RIDE—The day started out with a beautiful sky and 10 motorcycles meeting at Wendy's for a ride in the Indiana countryside. We noticed a Gold Wing Chapter stopping for gas and a rest stop across from Wendy's. It was our Assistant District Directors and friends from the north. Lloyd came over and greeted us then scurried across the street to meet up with his group and head for Elizabethtown, KY to camp. At slightly after the 10 am KSU (kick-stands-up) we departed on SR 128 heading north and soon we were into the hills of SW Ohio taking advantage of the nice weather we found. Then some great scenic back roads that led us into SE Indiana and to a restroom stop at McDonalds in Brookville, IN. From there we headed west on US route 50 and eventually on to IN 229 which took us through Oldenburg, IN and on to Batesville. We stopped for lunch at the Sherman House. The lunch was delicious and service was great and we were soon on our way to finish our day riding in the beautiful hills of SE Indiana.

Those riding on Saturday and following us were Rich and Nancy Hesse, Butch and Judy Royse, Bill and Carol Pott and their friends Frank and Christa, Phil Hollingsworth, Larry Stone, Dan and Diane Daulton, Marshall Goodman and his friend Michelle and Steve Albert. Eventually six of us - Rich and Nancy plus Marshall Goodman and his friend Michelle stopped at Buffalo's Southwest Restaurant in Lawrenceburg, IN for dinner. It was a great day weather wise as well as the group that rode with us. *Jim & Brenda*

SUNDAY RIDE—If you missed them, or if you didn't, we had two great rides Sat. and Sun. Saturday's ride was led by Jim, he either has or will tell you about that one. Lois and I led the Sunday ride, ours was a little shorter, even though it wound up being longer than originally planned. I pre rode this on Friday, Jim re-rode it on Sat. and I still managed to miss a turn. I have no excuse. I could blame it on my GPS going down, but that would be flimsy. One thing good about these kinds of rides, as long as the roads are good, no one really cares. With the exception of a few, new sites might never actually get seen. If I had known where I was though, or my GPS had not failed, I could have probably played it off and got by with it. I had sorta promised a lost ride and I had held up to the promise. I had to rely on the human GPS, one Jim Pennington to get me back on track. As a result we didn't break biblical history. Along for the ride were, Jim and Brenda Pennington, Butch and Judy Royce, Mark and Linda Simmons, Jay Silver and Linda, Bill and Carol Pott, and Elmer and Ken Jauch. We had dinner at Willie's Sports Bar on Hidden Valley Lake. Joining us at the restaurant Roy and Kathy Richard, and Randy and Gail Hiser along with their granddaughter's Haley and Madison. Food was good, weather was perfect. Butch and Judy, Bill and Carol had an invite for front row seats on the river for fireworks, they cut out before dinner. We then came back for, make your own Sundae's at our house. I hope everyone enjoyed the day as much as we did. Ice cream Sundae's are just the "cherry on top" of a day such as this one. *Phil & Lois*

October Camping with Chapter "L"

by Gail n Randy Hiser

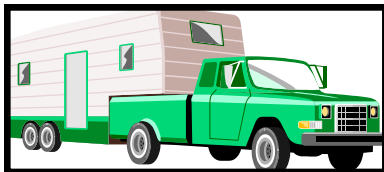

Boy has the weather been hot, hot, hot. Other than the heat, we couldn't have asked for any better weather for riding and camping.

Speaking of camping, our next Chapter 'L' campout to Little Farm on the River is October 15 & 16. There are still a few sites on the river available. It is going to be Halloween themed. Decorate your site and bring plenty of candy for the trick-or-treaters.

Saturday we will once again do our famous omelets for breakfast. Carve pumpkins in the afternoon. Then at supper Tim and Anita Kendrick will be preparing a pork butt in their smoker. It will sure be delicious along with the other side dishes and desserts.

See Gail if you are going and have not done so already. If you do not camp, but want to join us for the day on Saturday, you are most welcomed. Just let Gail know you are coming and she will tell you what to bring. She will be collecting \$5 per person to pay for the dinner.

Plan on joining our group of campers!
